

Dear CH 3 parents,

Thank you for providing your child with motivation and desire to come to school every day. This first week back after the intersession, we can see that the classroom has really come together. There is now a warm and comfortable learning environment. Children are taking advantage of new works and lessons as well as practicing the Grace & Courtesy lessons. This is due in great part to you, the parents and your contributions.

Please make sure that you come by the front office and sign up for a conference time slot. I look forward to meet with each one of you and discuss your child's progress.

If you have any concerns or questions, please contact me at rbarcena@cemcs.org or at 919 8559811 ext.9 or ccuenca@cemcs.org
