

Dear CH 3 parents,

We are very thankful of all of the collaboration we have received from all of you since the beginning of the school year. Special thanks to volunteer parents who help us with sounds, reading, laundry, class material donations, and material making. We really welcome and appreciate all the help we can receive from you.

Many of you often ask how to support our literacy efforts at home. Reading with your child is one of the best way to do so. If your child is not reading yet, read the book to them and ask simple questions to encourage retelling and reading comprehension. If they are reading or trying to sound out words, have them decode after you have read the book to them. Right now we are focusing on retelling and comprehension. When children are focused on sounding out the words, they often miss what the story was about.

Sincerely,

Sra. Bárcena & Sra. Tunstall

In our Cultural studies, we will focus in North America, native Americans, pilgrims, human needs, and Thanksgiving.
In Science we'll continue our studies on parts of the plant we eat, life cycles, and planting seeds.

Thanksgiving

We are planning a little celebration for the children on Monday, November 22nd. It may include each one of them bringing an item to share during lunch time. Please expect more information later.

All through their day at school children are listening to Spanish. In our more formal lessons, they have learned vocabulary for parts of the plant, counting 1-50, classroom objects, weather, seasons, feelings etc.

We are also encouraging them to use more Spanish when talking to us.

Please remember to include all the utensils that your child will need during lunch time.

As the weather changes please make sure the extra set of clothes in your child's backpack go accordingly.

Please make sure that your child has a water bottle each day.

To our snack volunteers, thank you very much for keep bringing two different groups of healthy food with the dressings, cups, spoons and other "extras" needed for that particular snack!

The snack & laundry volunteers for November are:

- Nov. 7-10: Efimova
- Nov. 14-22: Gunter
