

CH3

NEWSLETTER

Dear CH 3 parents,

For the past month, we have been giving and reinforcing lessons in Grace & Courtesy and Care of the Environment, which allow children to interact positively with adults, peers, and works.

We have also introduced them to Montessori material in the Language, Math, Sensorial, Writing, and Cultural areas. Kindergarteners have started using work plans to complete assigned works and are getting lots of new lessons.

We have been learning numbers and quantities in Spanish and matching sounds to objects. They are also working in Practical Life as a way to develop their sense of order, concentration, independence, and eye hand coordination. They also enjoy working in the Sensorial and Art areas.

We have witnessed and are impressed with all of their growing abilities. If you have any concerns or questions, please contact me at rbarcena@cemcs.org & ctunstall@cemcs.org or at 919 8559811 ext.409

Mapping
Plants & Animals, and we will start learning about the Continents.**

BOOKS

We enjoy reading new books and are looking for a parent volunteer that could visit the library regularly and supply us with books.

In Language, we continue learning new Spanish vocabulary like class objects, body parts, Days of the week, numbers, months of the year through the use of songs and games.

We have also been working a lot in letter sounds recognition, movable alphabet, and reading. Children are also enjoying learning how to write in cursive and do metal inserts.

Please remember, if your child

needs to be excused before the end of the day, you need to send a note and pick him/her up before 2:30 in the office.

Thank you!

Thanks for sending healthy lunches and bottles of water every day! CH students get really thirsty during the day and after recess!
