Thank you to all the parents for the wonderful help we got for our winter celebration. It was a neat opportunity to talk to you all and see you before the break. Thanks to Mr. Chaney who has gladly helping with the recess duty, on Friday. I feel blessed to belong to the wonderful community of UE4.

If help and salvation are to come, they can only come from the children, for the children are the makers of men.

Fundraising Deadline:

I understand there are a couple fundraising possibilities some of you are planning. I consulted with the Business Office this week to determine when all fundraising would need to be turned in so that we can determine the final February payment. We have to do this before the trip and before the final payment is due to ETA (Tour Company). The final February payment will be decreased as determined by the fundraising total.

Therefore all fundraising needs to be completed and submitted to the Business Office by Friday, February 3rd. The final February payment is not due on Friday, February 3rd. We will send out notice of what the final payment will be after all fundraising is tallied.

Recap:

All **fundraising** must be complete by **Friday, February 3rd.**

The **final February payment will be decreased** and we will send out notice of what the final payment will be. It is not due on Friday, February 3rd.

ETA Tour Corporation:

We are getting ready to send in the second payment for the trip to ETA. Please make sure you are caught up on your payments. January's payment was due Friday, January 6th.
