A Note from the Teachers

We are finishing our first week back from intersession. We are setting new rules for the classroom and celebrating our accomplishments. Ms. Loftis will be our new writing teaching starting next week. Because of that we are making changes in our schedule. The morning time will be dedicated to Math lessons/work, Spanish, literacy circles and writing. After lunch and recess will be working on Culture lessons and projects.

Please feel free to contact us with any comments or concerns. The best way to reach us is via email.
