

**Before/ After School Program**  
**Fourth Quarter - Enrichment Activities**  
April 9 – June 12

We are so excited to start our 4<sup>th</sup> quarter with our students here at Casa Esperanza. We have so many great things planned for the following weeks and our wonderful teachers are eager to work with your children. There is a staff of nine working with your children to support them daily. We will be offering activities to provide a variety of growth and learning opportunities for our students her at Casa Esperanza Montessori – Afterschool Program!

The programs are:

**MONDAY: LEGO'S BRICKZ**

This is a hands-on class where students build machines, building, vehicles and other structures out of LEGO Bricks, using on-of-a-kind model plans designed by Bricks 4 Kidz. Each class begins with a teacher –led discussion related to the model of the day. Students build a new project each week while exploring principles of engineering, architecture, physics, and more, students will develop problem solving and critical thinking skills. Once the project is complete, children use the rest of their time to modify their model builds and collaborate with one another.

This class requires registrations. Open to all students at Casa Esperanza.
