AGENDA

Welcome and Call to Order: Ghenet Mogos called the meeting to order at 8:30

NEW BUSINESS:

- The purpose of this meeting is for PFA Officers and PFA Members to nominate and vote on two PFA community members to serve on the **Election Committee**. These committee members will be responsible for informing PFA members if they are nominated for an officer position for the 2019-2020 school year. The members will post the biographies of persons who accept an officer position nomination, and will be responsible for overseeing the voting of these positions. They will also tabulate the votes on May 29, 2019, and announce the newly elected officers. (Please reference the April 2018 meeting minutes for most current bylaws.)

- After reviewing the PFA bylaws from the new addendum, the following people were nominated to take part in the Election Committee: Diana Marshall, Jennifer Fuller, Adrienne Sciagliano, and Sarah Slipsky. By anonymous vote through written ballot, Jennifer Fuller and Sarah Slipsky were selected for the Election Committee.

Meeting adjourned by Ghenet at 9:15am.
