

Casa Esperanza Montessori
2019-2020
Before/ After School Program
First Quarter - Enrichment Activities
July 30 – October 4

We are so excited to start our 1st quarter of our 2019-2020 school year with our students here at Casa Esperanza. We have so many great things planned for the following weeks and our wonderful teachers are eager to work with your children. There is a staff of nine working with your children to support them daily. We will be offering activities to provide a variety of growth and learning opportunities for our students here at Casa Esperanza Montessori – Afterschool Program!

The programs are:

MONDAYS: LEGO'S BRICKZ

This is a hands-on class where students build machines, building, vehicles and other structures out of LEGO Bricks, using on-of-a-kind model plans designed by Bricks 4 Kidz. Each class begins with a teacher-led discussion related to the model of the day. Students build a new project each week while exploring principles of engineering, architecture, physics, and more, students will develop problem solving and critical thinking skills. Once the project is complete, children use the rest of their time to modify their model builds and collaborate with one another.

This class requires registrations. Open to all students at Casa Esperanza.

THURSDAYS: CHESS CLUB (CLASS IS FULL)

Chess Scholars

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. No previous knowledge of chess is necessary. Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes at the end of the session!
