

# PM Pickup Path

**NEW PROCEDURE!**

We have no space for a "Jams" area anymore.

Therefore, if your child is delayed in exiting, you will have to go around the line again.

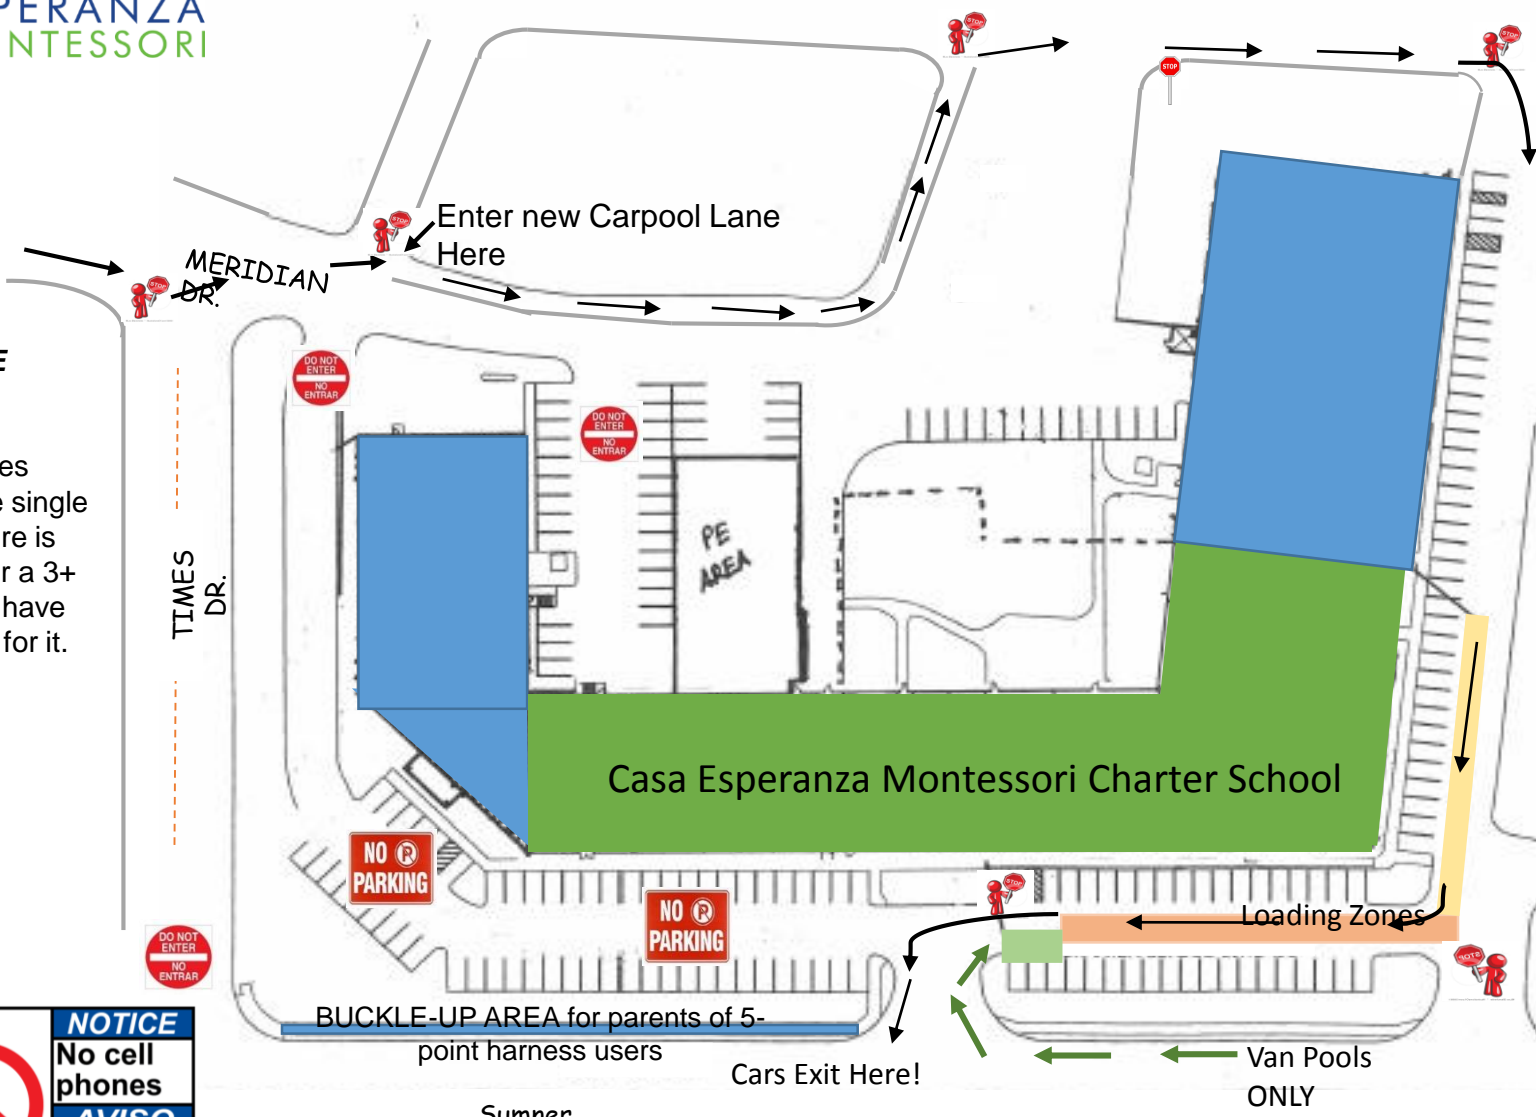

This is to keep the traffic flowing and be respectful of everyone's time.

**PARENTS OF YOUNG ONES!**

Please exit the carpool line when asked and pull over on Sumner Blvd. to buckle-up. This will help our traffic flow. Thanks!

**PLEASE NOTE:**

All families enter the single line. There is no longer a 3+ line. We have no room for it.

# AM Drop-off

**PLEASE NOTE:**  
All families enter the single line.

**MONTESSORI TIP:**  
If you have multiple children, teach the eldest to unbuckle their siblings as you approach the drop-off zone but before you stop the car.  
  
This will help us offload your children more efficiently.
