CASA CORRESPONDENCE

Have You Seen Our New Playground?

There's a lot to love about our brand new campus at 10510 Star Road in Wake Forest. One of the latest arrivals and greatest attractions is our outdoor learning center and playground. In addition to the customary recess activities like swings, slides and jungle gym, our scholars can enjoy attractions such as rock benches, climbing walls, boulder climbing, magnet wall, elephant rock play areas and so much more. Please take look at the construction of this amazing space and the end result.

School Supply Purchases Made Easy

The first day of school will be here before you know it, and we want you to have the opportunity to take advantage of our Parent Faculty Association (PFA) fundraiser. It offers the convenience of shopping online for your student's school supplies. You can order exactly what your child's teachers need for the upcoming year from your home, and it will all be delivered right to the school! Funds generated by this program are used throughout the school year for the benefit of our faculty, staff and Casa Community.
